On March 22, 2007, ADEQ, pursuant to the authority of the Arkansas Remedial Action Trust Fund Act ("RATFA"), issued a Consent Administrative Order (CAO) LIS 07-027 to Tyco Safety Products-Ansul Incorporated, formerly known as Wormald US, Inc. (Ansul), Helena Chemical Company (Helena Chemical), and ExxonMobil Chemical Co., a division of ExxonMobil Corporation (ExxonMobil) regarding Cedar Chemical. The basic objective of the CAO was to "address environmental concerns at the Facility to ensure protection of human health and the environment."
